Copayments on surgery, suture removal and all follow up appointments:

Since your copay depends upon your individual insurance plan, there is, unfortunately, no way for us to know what your copay will be until we bill your insurance. **You may receive a bill that is greater than the copay on your card for our services.** You will only know this amount once you receive a bill from our billing company or your insurance EOB. If you have any questions regarding your copay or out of pocket expense, including deductibles, please contact your insurance company prior to your surgery. If you have any questions regarding the billing feel free to either call our office or our billing company, Medical Services at 412-459-0281. We apologize for any inconvenience this may cause.
